Active % of

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

*May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 1/1/2019

Active % of

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

*May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 2/1/2019

^{* &}quot;Last 12 Months" refers to the 12 full months prior to the report date.

Percentage = Inactivation Reason / Total for each SPOE

Inactivations by Reason-Children Who Had an IFSP can include multiple enrollment periods for one child.

Missouri Department of Elementary and Secondary Education Office of Special Education First Steps

SPOE Data Report March 2019

The Department of Elementary and Secondary Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Inquiries related to Department programs and to the location of services, activities, and facilities that are accessible by persons with disabilities may be directed to the Jefferson State Office Building, Civil Rights Compliance (Title VI/Title IX/504/ADA/Age Act), 205 Jefferson Street, Jefferson City, MO 65102-0480; telephone number 573-526-4757 or Relay Missouri 800-735-2966.

Database as of 3/26/2019

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%. *May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 3/1/2019

Active % of

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

*May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 4/1/2019

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

*May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 5/1/2019

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 6/1/2019

^{*}May include children over 3 who are still receiving services.

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%. *May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 7/1/2019

Active % of

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

*May include children over 3 who are still receiving services.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 8/1/2019

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

Population is 2017 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 9/1/2019

^{*}May include children over 3 who are still receiving services.

Under 3

Active

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

Population is 2018 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 10/1/2019

^{*}May include children over 3 who are still receiving services.

Active

Children*

NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%.

Population is 2018 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 11/1/2019

^{*}May include children over 3 who are still receiving services.

NOTES: County's percent is shaded if the actual % of the population served is at or under the contract minimum percent.

Population is 2018 US Census Estimates.

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

^{* &}quot;Last 12 Months" refers to the 12 full months prior to the report date.

Percentage = Inactivation Reason / Total for each SPOE

Inactivations by Reason-Children Who Had an IFSP can include multiple enrollment periods for one child.
